Title Resource Group — Making Houses into HomesSM

Title Resource Group (TRG) is a driving force in the title and settlement services industry. TRG is national in scope, but locally staffed, with a wealth of experience in settlement services. TRG provides residential and commercial title insurance, closing management services, real estate closing services, lender services, title insurance underwriting, and 1031 tax deferred exchange accommodations. TRG is one of the nation's largest settlement companies with 530 branches and over 2,500 dedicated professionals nationwide.

TRG's mission is an unparalleled dedication to "making houses into homes" for more than 200,000 Americans each year through its various business channels. The TRG family of companies achieves this goal by being national in scope, but local in nature with direct licenses in 39 states and access to a best in class network of companies allowing it to successfully handle any transaction in any corner of the 50 United States and the US Virgin Islands. For more information on what TRG can do for you, your clients, or your customers please, visit www.trgc.com.
